To Whom it May Concern,

We have had the pleasure of working directly with Angela Mondor and her company Geeky Girl for the past three years. During this time Angela has been steadfast in her support and commitment in helping Sunset Gourmet expand their social media presence.

Not only did Angela provide us with excellent service, she was willing to help on projects that were not within the scope of our original agreement. Her training is delivered in very common everyday language that is suitable for all levels of technical experience. Angela is very motivated to help her clients succeed.

We highly recommend Angela to any company seeking to increase their presence in the Social Media world.

We look forward to working with Angela again in the future and thank her for her support.

Yours truly,

Audrey Stewart & Perry Bohn
